Professional Experience

Receptionist

MSD of Martinsville, Martinsville, IN 46151

August 2021–Current

- Use an advanced system to greet and let guests in as well as greet them at the front desk once they enter
- Answer any incoming calls and direct them to whomever they wish to speak to as well as answer any questions to the best of my knowledge
- Professionally handle and resolve any issues or concerns guests or parents have with the School District leaving them satisfied
- Retrieve mail from USPS as well as interoffice mail from our schools, sort, and deliver them to whom they belong
- Create slide shows to be displayed on the TVs in front lobby of administration building
- Help any other staff members with tasks they need such as writing out letters, filling envelopes, running mail through the postage machine, taking book rental payments and filling out receipts, putting together google sheets, organizing files, etc.
- Walking parents through the enrollment process when wanting to enroll a new or transfer student to the School District
- Send invoices for each damaged or lost Chromebook device
- File employee paperwork
- Create vouchers for payment
- Register employees for professional leave events
- Order Everify reports for all new employees
